ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

HOW TO APPLY

Mail completed rebate form along with proof of purchase and proof of recycling of the replaced unit. Applicant must also provide a copy of the sales receipt with the rebate application. The completed rebate application packet must be postmarked no later than July 31, 2010. Rebate claims for a qualifying product purchased from a store or service provider located out-of-state are not allowable.

Applicant must provide a copy of the recycling receipt from qualified recycling entity. Information on the locations of qualified recyclers is provided by the state-approved program implementers, below. Rebates were available on a first-come, first-served basis subject to the availability of funds.

For more information: www.HawaiiEnergy.com (Oahu, Big Island, Lanai, Maui, and Molokai) or www.kiuc.coop (Kauai Island Utility Cooperative)

ELIGIBILITY

Mail-in rebates were issued to qualified participants (residential rate class customers of the Kauai Island Utility Cooperative, Hawaiian Electric Company, Inc.; Maui Electric Company, Inc.; and Hawaii Electric Light Company, Inc.) who purchase qualified ENERGY STAR refrigerators from a Hawaii retail location within the program period. Retroactive rebates are not allowable. Rebates only for replacement appliances; new construction not eligible. Installation may be verified.

Program was mail-in rebate. Rebates were issued to qualified participants until program funds were depleted. Limit one rebate per active resident. Landlords are not eligible.
