U.S. DEPARTMENT OF ENERGY | Energy Efficiency & Renewable Energy

ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

TENNESSEE

Tennessee Department of Economic and Community Development

REBATES AVAILABLE

Products purchased on or after April 22, 2010 are eligible to receive a rebate. Rebates may be offered for a limited time only. The rebate program will end when funds run out. Before making a purchase, confirm funding and requirements at www.e-rebates.org/teearp.

PRODUCT		REQUIREMENTS	AMOUNT
AIR CONDITIONERS	Central	ENERGY STAR qualified. Split systems must have a Seasonal Energy Efficiency Ratio (SEER) of at least 14.5, and an Energy Efficiency Ratio (EER) of at least 12. Single-package equipment must have a SEER of at least 14, and an EER at least 11.	$250
	Room	ENERGY STAR qualified.	$40
Furnaces (Gas)		ENERGY STAR qualified.	$150
Heat Pumps (Air-Source)		ENERGY STAR qualified. Split systems must have a heating seasonal performance factor of at least 8.2, a Seasonal Energy Efficiency Ratio (SEER) of at least 14.5, and an Energy Efficiency Ratio (EER) of at least 12. Single-package equipment must have a heating seasonal performance factor of at least 8, a SEER of at least 14, and an EER of at least 11.	$250

HOW TO APPLY

Consumers can obtain all necessary application forms for the room air conditioner rebate by visiting www.e-rebates.org/teearp or calling 1-877-741-4304. Consumers must contact their local utility company regarding the *Energy Right* and/or the IHEE programs to obtain necessary forms and instructions for the heat pump and central air conditioner rebates.

ELIGIBILITY

Consumer must be a Tennesse resident. Air-source heat pumps and central air conditioners installed only in Tennessee residential sites will be eligible for rebate. Customers participating in the TVA *Energy Right* programs will have declared financial and residential requirements subject to the loan protocols of those programs. Customers under those programs have 90 days to complete the recommended work. Rebates will be limited to one per product per address.
