U.S. DEPARTMENT OF ENERGY | Energy Efficiency & Renewable Energy

ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

WISCONSIN

Wisconsin Office of Energy Independence, Department of Administration

REBATES AVAILABLE - PROGRAM CLOSED

Rebate began on January 1, 2010 and closed on April 30, 2010. Applications received through May 3, 2010 will continue to be processed on a first-come, first-served basis. Based on the number of applications received through May 3, 2010 it is likely that funding will be depleted prior to all applications being processed. Before making a purchase, confirm funding and requirements at www.focusonenergy.com/recovery.

PROGRAM CLOSED

PRODUCT		REQUIREMENTS	AMOUNT
Air Conditioners (Central)		Has a Seasonal Energy Efficiency Ratio (SEER) of at least 15.*	$75
BOILERS	Gas	Has an Annual Fuel Utilization Efficiency (AFUE) of at least 90%, and uses a modulating burner and an outdoor air reset control.*	$200
	Oil	Has an Annual Fuel Utilization Efficiency (AFUE) of at least 85%, and uses an outdoor air reset control.*	$200
Clothes Washers		Has a Modified Energy Factor (MEF) of at least 2.2. Has a Water Factor (WF) of not more than 4.5.*	$100
Dishwashers		Uses no more than 295 kWh per year. Uses no more than 4.25 gallons of water per cycle. Has an Energy Factor of at least 0.75.*	$25
Freezers		ENERGY STAR qualified.	$50
FURNACES	Gas	Has an Annual Fuel Utilization Efficiency (AFUE) of at least 90%, and uses a variable speed motor and multiple stages of heating.*	$200
	Oil	ENERGY STAR qualified. Has an Annual Fuel Utilization Efficiency (AFUE) of at least 85%.	$200
HEAT PUMPS	Air-Source	Has a Seasonal Energy Efficiency Ratio (SEER) of at least 15.*	$75
	Ground-Source	ENERGY STAR qualified.	$75
Refrigerators		ENERGY STAR qualified.	$75

continued >

WATER HEATERS	Electric Heat Pump	ENERGY STAR qualified.	$50
	Gas Storage	Has an Energy Factor (EF) of at least 0.64 and is power-vented.*	$150
	Gas Tankless	Has an Energy Factor (EF) of at least 0.82 and is power-vented.*	$150
	Indirect	Must be attached to a gas or oil boiler that meet those product requirements, as specified in this table.	$150
	Solar, Electric Backup	ENERGY STAR qualified, meet Focus on Energy System Requirements, and be installed by a Focus Full Service Installer. Manufacturer may also qualify systems by proving to Focus that its system is in process to receive the ENERGY STAR label.*	$2,000
	Solar, Gas Backup		

*Exceeds current ENERGY STAR criteria.

HOW TO APPLY

Retailers and contractors may issue applications to consumers at the time of purchase. Consumers must submit a completed application, including proof of purchase, and proof of recycling for products containing refrigerant, by mail within 30 days of purchase. Rebate applications may also be available online.

Rebates will be paid on a first-come, first-served basis. Rebates will be issued to consumers 42 days after receipt of a complete application packet including proof of purchase of an eligible product, and proof of recycling if appropriate.

Consumers must apply in advance for rebates on solar water heaters. Upon approval of the application, the consumer will have 60 days to install the system and submit a final invoice.

Additional information will be provided on the program sponsor Web site as it becomes available.

For more information: www.focusonenergy.com/recovery

PROGRAM CLOSED

ELIGIBILITY

Rebates available to residential consumers only. Equipment purchased must be new and must be installed in Wisconsin. Purchase must replace existing appliance or equipment of the same type. Proof of recycling is required for all products containing refrigerant (refrigerators, freezers, central air conditioners).
