ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

HOW TO APPLY

Consumers may be able to reserve their rebates in advance online or via a toll-free telephone number once the program has launched. Consumers must submit the rebate application, original sales receipt, and proof of Idaho residency. Rebates will be paid on a first-come, first-served basis. Consumers will be issued a prepaid credit card after receipt of complete rebate paperwork.

Additional information will be provided on the program Web site as it becomes available.

For more information: www.seearprewards.com/idaho or call 1-877-223-6975.

ELIGIBILITY

Consumers must prove Idaho residency and purchase from a store located in Idaho. Product being replaced must be a similar, working appliance. Limit one rebate per product per household, with the exception of room air conditioners. Limit total of five rebates per household. Appliance recycling is strongly encouraged.
