ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

REBATES AVAILABLE - PROGRAM CLOSED

This program is completely closed, including the final waitlists that closed December 7, 2010. The rebates for clothes washers, dishwashers, oil and propane furnaces, refrigerators, propane storage and tankless water heaters, and solar water heaters with electric and propane back-up began on February 10, 2010. Rebates for natural gas and oil furnaces with ECM motors, propane furnaces with ECM motors, natural gas storage water heaters, and natural gas tankless water heaters began on August 1, 2010. On August 31, 2010 Michigan stopped accepting new rebate reservations for furnaces and water heaters. Reservations made prior to August 31, 2010 for furnaces and waters heaters were honored until September 14, 2010. As of November 8, 2010, rebate funds for refrigerators, clothes washers, and dishwashers were reserved; the waitlist for these products closed on December 7, 2010. Before making a purchase, confirm funding and requirements at www.MichRebate.com for all water heater and furnace rebates, and at www.MIRebates.com for clothes washer, dishwasher, and refrigerator rebates.
