U.S. DEPARTMENT OF ENERGY | Energy Efficiency & Renewable Energy

ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

NEW MEXICO

New Mexico Energy, Minerals and Natural Resources Department – Energy Conservation and Management Division

REBATES AVAILABLE - PROGRAM CLOSED

Rebates began on April 22, 2010 and ended on December 3, 2010. Rebates were offered for a limited time only. Before making a purchase, confirm funding and requirements at www.e-rebates.org/nmarp.

PRODUCT	REQUIREMENTS	AMOUNT
Clothes Washers	ENERGY STAR qualified.	$200
Furnaces (Gas)	ENERGY STAR qualified. Has an Annual Fuel Utilization Efficiency (AFUE) of at least 90%.	$200
Refrigerators	ENERGY STAR qualified.	$200

PROGRAM CLOSED

HOW TO APPLY

Applications must include proof of purchase, date of purchase, cost, make, and model of the purchased appliance. Rebates will be paid on a first-come, first served basis. Additional information will be provided on the New Mexico rebate Web site as it becomes available.

For more information: www.e-rebates.org/nmarp or 1-877-883-1754.

ELIGIBILITY

Consumer must be a New Mexico resident. Qualified appliances must be purchased from retailers or contractors located in New Mexico, and must be installed in a New Mexico residence. Purchase must occur during the rebate period. Verification of installation may occur. Limit one rebate per product type per household. Landlords are not eligible for rebates.
