U.S. DEPARTMENT OF ENERGY | Energy Efficiency & Renewable Energy

ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

ARKANSAS

Arkansas Economic Development Commission – Energy Office

REBATES AVAILABLE - PROGRAM CLOSED

Rebates began on March 15, 2010 and ended on December 3, 2010.

PRODUCT		REQUIREMENTS	AMOUNT
Clothes Washers		ENERGY STAR qualified.	$225
Refrigerators		ENERGY STAR qualified.	$275

	Gas Storage	Has an Energy Factor (EF) of at least 0.67.*	$300
	Gas Tankless	ENERGY STAR qualified. Has an Energy Factor (EF) of at least 0.82.	$300

*Exceeds current ENERGY STAR criteria.

PROGRAM CLOSED

HOW TO APPLY

Rebates were issued to consumers who mailed an application packet that included proof of purchase of an eligible product and documentation from either a participating retailer that the replaced unit was hauled away or from a recycling center that the replaced unit was received.

Additional information will be provided on the program sponsor Web site as it becomes available.
