U.S. DEPARTMENT OF ENERGY | Energy Efficiency & Renewable Energy

ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

WEST VIRGINIA

West Virginia Department of Environmental Protection

REBATES AVAILABLE - PROGRAM CLOSED

Rebates began on June 17, 2010. Rebates for room air conditioners closed on September 16, 2010 and rebates for freezers closed on September 21, 2010; the waitlist for both of these products closed February 10, 2011. As of August 24, 2011, the program is completely closed, with all rebates paid. For additional information, visit www.WVApplianceRebate.com.

continued >

ELIGIBILITY

Rebates are only available to West Virginia residents for non-commercial use. Qualifying ENERGY STAR appliances must be purchased within the State of West Virginia during appropriate dates as indicated by a copy of the purchase receipt from the retailer. Households are limited to one rebate per appliance category, with the exception of room air conditioners which had a category limit of five rebates.
