U.S. DEPARTMENT OF ENERGY | Energy Efficiency & Renewable Energy

ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

COLORADO

Colorado Governor's Energy Office

REBATES AVAILABLE - PROGRAM CLOSED

Rebates began at 8 a.m. Mountain time on April 19, 2010 and ended on July 1, 2011. For more information, go to www.RechargeColorado.com.

PROGRAM CLOSED

PRODUCT		REQUIREMENTS	AMOUNT
Boilers (Gas)		ENERGY STAR qualified. The Annual Fuel Utilization Efficiency (AFUE) must be at least 85%.	$400
Clothes Washers		ENERGY STAR qualified. Has a Modified Energy Factor (MEF) of at least 1.8. Has a Water Factor (WF) of not more than 7.5.	$75

HOW TO APPLY

Consumers must purchase the appliance before applying for a rebate reservation at the Colorado Web site. After receiving a printable confirmation page the applicant must send in all required and listed documentation as instructed on the confirmation page. Rebates will be paid on a first-come, first-served basis. Rebates will be issued to consumers 4 to 6 weeks after mailing an application packet. Additional information will be provided on the Colorado rebate Web site as it becomes available.

For more information: www.RechargeColorado.com or call 1-800-462-0184.

ELIGIBILITY

Eligibility limited to Colorado residents. Limit one rebate per product type per household.
