ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

HOW TO APPLY

Rebates will be paid to Utah residents who mail a completed application packet including proof of residency, proof of purchase of an eligible product, and self-certification that the new appliance replaces an existing one. Consumers who purchase appliances outside the State of Utah must also provide proof of payment of Utah State sales tax. Application must be postmarked within 90 days of purchase. Incomplete and denied applications will be returned to the consumer with instructions for re-application. Rebates will be paid on a first-come, first-served basis. Rebate checks will be mailed to consumers.

Additional information will be provided on the Utah rebate Web site as it becomes available.
