ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

REBATES AVAILABLE

As of November 22, 2011, all vouchers have been issued and interested consumers can join a waitlist. Rebates began March 16, 2010 and are available to Alaskans with Disabilities who currently receive some form of disability documented by a licensed medical professional or from the state or federal government; doubled rebate amounts were made available starting April 6, 2011 and residents who already received rebates are eligible to receive the difference. Beginning October 1, 2011, seniors born on or before October 1, 1951 are also eligible to apply for a rebate for purchases made on or after October 1, 2011. The last day that Alaska will accept applications for rebate vouchers is December 15, 2011, and for issued vouchers it is January 15, 2012. Before making a purchase, confirm funding and requirements with the program sponsor listed in the HOW TO APPLY section.
