ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

HOW TO APPLY

Applicants must complete and sign an application that includes the warning that fraudulent completion of the application is a criminal offense and subject to prosecution. Applicants for refrigerator and freezer rebates must provide proof (in the form of an affidavit by disposing retailer or receipt from a recycler) that the unit replaced has been properly disposed of. A copy is acceptable. Rebates will be paid on a first-come, first-served basis, subject to availability of funds. Rebates will be issued to consumers 6 to 8 weeks after receiving a complete application packet.

Additional information will be provided on the South Dakota rebate Web site as it becomes available.

For more information: http://appliancerebate.sd.gov/ or call 866-353-1173

ELIGIBILITY

Rebates are only for residential purchases that replace an existing unit in the household. Consumers must apply for rebates within 30 calendar days of purchase. Rebates will be mailed only to South Dakota addresses. Limit one rebate per product type per household.
