U.S. DEPARTMENT OF ENERGY | Energy Efficiency & Renewable Energy

ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

NEW YORK

New York State Energy Research & Development Authority, Energy Efficiency Services

REBATES AVAILABLE - PROGRAM CLOSED

Under "New York's Great Appliance Swap Out" Rebate Program, rebates were available for eligible appliance purchases made between February 12 and March 4, 2011. This was a first-come, first served program. Applications are no longer being accepted. Additional information can be found on: www.NYApplianceSwapOut.com.

PROGRAM CLOSED

PRODUCT	REQUIREMENTS	AMOUNT
REBATE OPTION 1 – SINGLE APPLIANCE:		
Clothes Washers	ENERGY STAR qualified.	$100* $75
Freezers	ENERGY STAR qualified.	$75* $50
Refrigerators	ENERGY STAR qualified.	$105* $75
REBATE OPTION 2 – HIGH EFFICIENCY APPLIANCE BUNDLE		
To participate in the High Efficiency Appliance Bundle, consumers must purchase three High Efficiency ENERGY STAR appliances (a combination of a refrigerator, clothes washer and dishwasher) which must meet the efficiency requirements outlined in the table below:		
Clothes Washer	Has a Modified Energy Factor (MEF) of at least 2.0. Has a Water Factor (WF) of not more than 6.0. (CEE Tier 2 or 3 www.cee1.org/resid/seha/rwsh/rwsh-prod.pdf) **	$555*
Dishwasher	Uses no more than 307 kWh per year. Uses no more than 5 gallons of water per cycle. (CEE Tier 1 or 2 www.cee1.org/resid/seha/dishw/dw-prod.pdf) **	$500
Refrigerator	Annual kWh usage is at least 25% more efficient than the federal standard. (Must be from CEE Tier 2 or 3 www.cee1.org/resid/seha/refrig/files/ref_prod.pdf) **	

*Rebate amount is higher with proof of recycling. **Exceeds current ENERGY STAR criteria.

HOW TO APPLY

Applicants must submit an application packet including an original sales receipt (showing make, model, price, and date of purchase of qualifying appliance) and proof of recycling (if applicable) for each appliance replaced. One application is required for each rebate desired. Consumers may apply for rebates online, but online applications will not be processed until original sales receipt and proof of recycling (if applicable) are received by mail. Complete applications must be postmarked within 14 days after a reservation is made or it will be cancelled. Purchases must be made between February 12, 2010, and the date available funding runs out. Rebates will be paid on a first-come, first-served basis.

For more information: www.NYApplianceSwapOut.com

ELIGIBILITY

Applicants must be residents of New York, and must attest that the appliance(s) being purchased replace existing appliance(s) of the same type. Appliances must be installed at a New York address. Eligible products must be purchased and recycled within published dates. For the Option 1 – Single Appliance Rebate, there is a limit of one rebate per product type per household; maximum three rebates per household. For the Option 2 – High Efficiency Appliance Bundle Rebate, only 1 bundle rebate is allowed per household.

Consumers are also eligible for a higher rebate with proof of recycling. The additional recycling rebates are: refrigerators, $30; freezers, $25; clothes washers, $25; Higher Efficiency Home Appliance Package, $55.

In addition to the above requirements, to participate in the Higher Efficiency Home Appliance Package Program, consumers must purchase three specific types of higher efficiency appliances.

Consumers who receive rebates under this state rebate program are not eligible for duplicate rebate programs offered by utilities.
