U.S. DEPARTMENT OF ENERGY | Energy Efficiency & Renewable Energy

# ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

## NORTH DAKOTA

North Dakota Department of Commerce –
Office of Renewable Energy and Energy Efficiency

### REBATES AVAILABLE - PROGRAM CLOSED

**Rebates began April 6, 2010 and closed on May 13, 2010. Rebates reopened on November 18, 2010 and closed on July 19, 2011. Before making a purchase, confirm funding and requirements with the program sponsor listed in the HOW TO APPLY section.**

| PRODUCT | REQUIREMENTS | AMOUNT |
|---|---|---|
| Refrigerators | ENERGY STAR qualified. | $150 |

PROGRAM CLOSED

### HOW TO APPLY

The program is closed and no longer accepting rebate applications. Rebates required advance reservations. Consumers were required to register online at the North Dakota rebate Web site, below, to receive a rebate form. Rebates were issued to consumers on a first-come, first-served basis. Since the maximum number of rebates has been reached, the Web site will not allow consumers to register for a rebate form. Consumers were required to purchase the product and apply for rebates within 90 days of registration. Rebates were issued as a prepaid debit card. Additional information will be provided on the North Dakota rebate Web site as it becomes available.

**For more information:** www.communityservices.nd.gov/stimulus/seearp

### ELIGIBILITY

Consumer must be a resident of North Dakota. Product must be purchased from a qualified retailer in North Dakota. Old products must be picked up by a qualified retailer or taken to a qualified inert waste landfill by the consumer (consumer must provide disposal documentation). Limit one rebate per household. Refrigerators must be 7.75 cubic feet or larger.
