U.S. DEPARTMENT OF ENERGY | Energy Efficiency & Renewable Energy

ENERGY STAR® STATE APPLIANCE REBATE PROGRAM

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

NEVADA

Nevada State Office of Energy

REBATES AVAILABLE - PROGRAM CLOSED

The program initially began April 17, 2010 with an advanced reservation system. Starting on September 1, 2010, consumers were required to purchase the product before applying for a rebate reservation at the program Web site. As of October 25, 2010 all funds were reserved; the waitlist closed on January 25, 2011. Before making a purchase, confirm funding and requirements at www.NevadaApplianceRebate.com.

PRODUCT	REQUIREMENTS	AMOUNT
Clothes Washers	ENERGY STAR qualified.	$150
Dishwashers	ENERGY STAR qualified.	$100
Freezers	ENERGY STAR qualified.	$150
Refrigerators	ENERGY STAR qualified.	$200

PROGRAM CLOSED

HOW TO APPLY

Rebate applications must be submitted within 30 days of making the post-purchase reservation. Additional information will be provided on the Nevada rebate Web site as it becomes available.

For more information: www.NevadaApplianceRebate.com

ELIGIBILITY

Consumer must be a Nevada resident, and must provide proof of haul away of the replaced appliance to qualify for the rebate. Delivery address must match address on the purchaser's driver's license, state identification card, or utility bill. Appliance must be purchased from a retailer in Nevada. Online sales are not eligible for rebates.
