Correlates of War Formal Interstate Alliance Dataset
Version 4.0 Release History

Version 4.0 Release

Version 4.0 of the CoW Formal Interstate Alliance Dataset was released on March 19, 2013.

Version 4.1 Release

Released on April 10, 2013, Version 4.1 updates the alliance data by including two Israeli treaties that were not in the original data. These two treaties are:

- version4id: 413
  On March 26, 1979, Egypt and Israel signed a Type IIb: Non-Aggression Pact that remains in force.

- version4id: 414
  On November 30, 1981, Israel and the United States signed a Type III: Entente directed at the Soviet Union. It ended with the collapse of the Soviet Union, dated for the treaty as December 26, 1991.
