THE SENATE
OF THE PARLIAMENT OF THE CZECH REPUBLIC

12TH TERM

127TH

RESOLUTION OF THE SENATE

Delivered on the 7th session held on 20th March 2019

on the Report from the Commission to the European Parliament and the Council Report on the functioning of the European carbon market /Senate Print No. K 010/12, COM(2018) 842/

The Senate

I.

1. **Is aware**
   that anthropogenic emissions of greenhouse gases are one of the factors affecting climate changes and therefore believes that the reduction of emissions of any harmful substances including greenhouse gases is essential for the sustainability of life on Earth;

2. **Fully supports**
   not only the research focused on determination of all natural and anthropogenic factors triggering and influencing global changes but also the research and development of new technologies that enable an effective reduction of emissions of harmful substances;

3. **Supports**
   an analysis of possible introduction of carbon tax that could compensate for the fact that only the combustion plants with thermal rated input greater than 20 MW are included in the EU ETS;

II.

1. **Requests**
   the Government to inform the Senate about the way this resolution was taken into account;

2. **Authorises**
the President of the Senate to forward this resolution to the European Commission.
