Subject: Authorization for Data Access/Collection

Dear Salma,

This is to confirm that I, Dr. Mohammad Al Amin, Medical Officer at Popular Diagnostic Center, Savar Branch, hereby grant permission to *Salma Akter* for access to and collection of the requested dataset. This authorization is provided in response to their formal request for data access for the purpose of academic research.

The dataset in question pertains to patient kidney diagnostic data, operational records (988), etc., and the usage will be restricted to the approved purpose only. It is expected that *Salma Akter* will adhere to all applicable confidentiality, privacy, and ethical guidelines as stipulated by Popular Diagnostic Center and relevant governing regulations.

If there are any further clarifications or requirements regarding this permission, please feel free to contact me directly at 'info@populardiagnostic.com'.

Thank you for your cooperation in facilitating this process.

Dr. Mohammad Al Amin
MBBS (SU), FACS (USA)
Medical Officer
