Guide to replication files for:
Good, Elizabeth. "Power Over Presence: Women's Representation in Comprehensive Peace Negotiations and Gender Provision Outcomes" *American Political Science Review*.

All analyses were conducted using R/RStudio.
Analyses performed in R version 2023.06.2+561.

Inventory of files
Good2024_ReplicationCode.R – R file to produce all figures and tables in the manuscript.
Good2024_supplementary materials.R – R file to produce all figures and tables in the supplementary materials appendix.

Data files
Datasets included in folder:
PADD_Agreement Level.tab – dataset used for all analysis in the manuscript. This dataset uses comprehensive peace agreements as the unit of analysis. Delegates are coded based on their highest position of power.
PADD_Agreement Level_Lowest Position.tab – dataset used for Table A.3 in the supplementary materials appendix. This data uses comprehensive peace agreements as the unit of analysis. Delegates are coded based on their lowest position of power.
PADD_Agreement Level_Multiple Positions.tab – dataset used for Table A.4 in the supplementary materials appendix. This data uses comprehensive peace agreements as the unit of analysis. Delegates are coded in all positions held (double counting certain delegates).
PADD_Delegate Level – dataset used for Figure A.10 in the supplementary material appendix. This data uses individual delegates as the unit of analysis.

Supporting Information Appendix
Good2024_Supplementary Materials Appendix.pdf – final version of supplementary material appendix.

Codebook
PADD_Codebook_V1 – includes information for PADD_Agreement Level dataset and PADD_Delegate Level dataset
