```
================================================================================
Project Code: WASU0003_RWASDO
Project Name: RWO/Social Dominance Study
Prepared for: Jacob Montgomery and Erin Rossiter
Interviews: 1500
Field Period:  June 08, 2018 - June 26, 2018
Project Manager: Ashley Grosse  - 650.462.80
================================================================================
YouGov interviewed 1718 respondents who were then matched down to a
sample of 1500 to produce the final dataset. The respondents were
matched to a sampling frame on gender, age, race, and education. The
frame was constructed by stratified sampling from the full 2016 American
Community Survey (ACS) 1-year sample with selection within strata by weighted
sampling with replacements (using the person weights on the public use
file).

The matched cases were weighted to the sampling frame using propensity
scores. The matched cases and the frame were combined and a logistic
regression was estimated for inclusion in the frame. The propensity
score function included age, gender, race/ethnicity, years of education,
and region. The propensity scores were grouped into deciles of the
estimated propensity score in the frame and post-stratified according to
these deciles.

The weights were then post-stratified on 2016 Presidential vote choice, and
a four-way stratification of gender, age (4-categories), race (4-
categories), and education (4-categories), to produce the final weight.

                                  Variable List
================================================================================
caseid                          Case ID
weight                          Gen Pop Weight
RWA_1                           Agree/Disagree: Our country desperately needs a
                                mighty leader who will do what has to be done to
                                destroy the radical new ways and sinfulness that
                                are ruining us.
RWA_2                           Agree/Disagree: Gays and lesbians are just as
                                healthy and moral as anybody else
RWA_3                           Agree/Disagree: It is always better to trust the
                                judgment of the proper authorities in government
                                and religion than to listen to the noisy
                                rabble-rousers in our society who are trying to
                                create doubt in people's minds
RWA_4                           Agree/Disagree: Atheists and others who have
                                rebelled against the established religions are no
                                doubt every bit as good and virtuous as those who
                                attend church regularly
RWA_5                           Agree/Disagree: The only way our country can get
                                through the crisis ahead is to get back to our
                                traditional values, put some tough leaders in
                                power, and silence the troublemakers spreading
                                bad ideas
RWA_6                           Agree/Disagree: There is absolutely nothing wrong
                                with nudist camps
RWA_7                           Agree/Disagree: Our country needs free thinkers
                                who have the courage to defy traditional ways,
                                even if this upsets many people
RWA_8                           Agree/Disagree: Our country will be destroyed
                                someday if we do not smash the perversions eating
                                away at our moral fiber and traditional beliefs
RWA_9                           Agree/Disagree: Everyone should have their own
                                lifestyle, religious beliefs, and sexual
                                preferences, even if it makes them different from
                                everyone else
RWA_10                          Agree/Disagree: The “old-fashioned ways” and the
                                “old-fashioned values” still show the best way to
                                live
RWA_11                          Agree/Disagree: You have to admire those who
```

	challenged the law and the majority's view by protesting for women's abortion rights, for animal rights, or to abolish school prayer
RWA_12	Agree/Disagree: What our country really needs is a strong, determined leader who will crush evil, and take us back to our true path
RWA_13	Agree/Disagree: Some of the best people in our country are those who are challenging our government, criticizing religion, and ignoring the “normal way things are supposed to be done”
RWA_14	Agree/Disagree: God's laws about abortion, pornography and marriage must be strictly followed before it is too late, and those who break them must be strongly punished
RWA_15	Agree/Disagree: There are many radical, immoral people in our country today, who are trying to ruin it for their own godless purposes, whom the authorities should put out of action
RWA_16	Agree/Disagree: A “woman's place” should be wherever she wants to be. The days when women are submissive to their husbands and social conventions belong strictly in the past
RWA_17	Agree/Disagree: Our country will be great if we honor the ways of our forefathers, do what the authorities tell us to do, and get rid of the “rotten apples” who are ruining everything
RWA_18	Agree/Disagree: There is no “ONE right way” to live life; everybody has to create their own way
RWA_19	Agree/Disagree: Homosexuals and feminists should be praised for being brave enough to defy “traditional family values”
RWA_20	Agree/Disagree: This country would work a lot better if certain groups of troublemakers would just shut up and accept their group's traditional place in society
SDO_1	Agree/Disagree: Some groups of people are simply inferior to other groups
SDO_2	Agree/Disagree: In getting what you want, it is sometimes necessary to use force against other groups
SDO_3	Agree/Disagree: It's OK if some groups have more of a chance in life than others
SDO_4	Agree/Disagree: To get ahead in life, it is sometimes necessary to step on other groups
SDO_5	Agree/Disagree: If certain groups stayed in their place, we would have fewer problems
SDO_6	Agree/Disagree: It's probably a good thing that certain groups are at the top and other groups are at the bottom
SDO_7	Agree/Disagree: Inferior groups should stay in their place
SDO_8	Agree/Disagree: Sometimes other groups must be kept in their place
SDO_9	Agree/Disagree: It would be good if groups could be equal
SDO_10	Agree/Disagree: Group equality should be our ideal
SDO_11	Agree/Disagree: All groups should be given an equal chance in life
SDO_12	Agree/Disagree: We should do what we can to equalize conditions for different groups
SDO_13	Agree/Disagree: Increased social equality is beneficial to society
SDO_14	Agree/Disagree: We would have fewer problems if we treated people more equally
SDO_15	Agree/Disagree: We should strive to make incomes as equal as possible
SDO_16	Agree/Disagree: No group should dominate in
