Variable	Description
cw_random	List Experiment Random number 0-1
cw_list_count_control	List Experiment (Control Group) Now I am going to read you three things that have happened to some people during or after the the civil war. After I have read them out, I would like you to tell me HOW MANY of them happened to you personally. I don't want to know which ones, just tell me HOW MANY. To help you keep track of the number, take these three small stones. Hold these stones behind your back in your left hand. For each thing you experienced pass one stone to your right hand. At the end you can show me how many stones you hold in your RIGHT HAND. Ok, lets go... 1. I had to flee because of fighting 2. I have lost family members 3. I killed someone to protect myself Now, please show me how many stones you hold in your right hand. 0 – 3 Items
