Dear Ms. Kaylyn Jackson:

Thank you for submitting the above-referenced amendment request. The Emory IRB reviewed and approved this amendment on 10/4/2021.

This amendment includes the following:

- Added follow-up study procedures with modified survey
- Increased target enrollment by 3000 (to 6100 respondents)

Important note: If this study is NIH-supported, you may need to obtain NIH prior approval for the change(s) contained in this amendment before implementation. Please review the NIH policy directives found at the following links and contact your NIH Program Officer, NIH Grants Management Officer, or the Emory Office of Sponsored Programs if you have questions.
