Public Policy

Dear Dr. Schiff:

The Institutional Review Board (IRB) has carefully considered the referenced protocol **Amendment #3** . Your approval is effective as of **October 12, 2021**. The proposed procedures and affiliated documents are exempt from further review by the Georgia Tech Institutional Review Board.

Minimal risk research qualified for exemption status under 45 CFR 46 104d. **2**

Amendment #3 – Increase number of subjects and add questions

Thank you for allowing us the opportunity to review your plans. If any complaints or other evidence of risk should occur, or if there is a significant change in the plans, the IRB must be notified.

If you have any questions concerning this approval or regulations governing human subject activities, please contact me at 404.894.6942.

Sincerely,

Melanie J. Clark, CIP
