Table 1: FARM MANAGEMENT AND DEMOGRAPHICS–Australia–2016-17

Region code	Region label	Data item description	Estimate	Estimate - Relative Standard Errors (Percent)	Number of agricultural businesses	Number of agricultural businesses - Relative Standard Errors (Percent)
0	Australia	Farm management - Data provider's relationship to business - Owner/operator - number (n)	78,812		78,812	
0	Australia	Farm management - Data provider's relationship to business - Contractor/employee - number (n)	2,921		2,921	
0	Australia	Farm management - Data provider's relationship to business - Other - number (n)	2,490		2,490	
0	Australia	Farm management - Sex of provider - Males - number (n)	67,313		67,313	
0	Australia	Farm management - Sex of provider - Females - number (n)	17,902		17,902	
0	Australia	Farm management - Sex of provider - Other - number (n)	206	^	206	^
0	Australia	Farm management - Age of provider - Average age - all persons (yrs)	57		..	
0	Australia	Farm management - Age of male provider - Average age (yrs)	58		..	
0	Australia	Farm management - Age of female provider - Average age (yrs)	55		..	
0	Australia	Farm management - Years involved in farming - Average years (yrs)	37		..	
0	Australia	Farm management - Sources of income - Generated by agricultural production on holding - Average percentage (%)	85		..	
0	Australia	Farm management - Sources of income - Grants, government transfers, relief funding - Average percentage (%)	1	^	..	
0	Australia	Farm management - Sources of income - Off-farm employment/business activities - Average percentage (%)	12		..	
0	Australia	Farm management - Sources of income - Other funding sources - Average percentage (%)	4		..	

np not available for publication but included in totals where applicable, unless otherwise indicated

.. not applicable

^ estimate has a relative standard error of 10% to less than 25% and should be used with caution

* estimate has a relative standard error between 25% and 50% and should be used with caution

** estimate has a relative standard error greater than 50% and is considered too unreliable for general use
