Open Data Policy:

1. Overview

We grant you a worldwide, royalty-free, perpetual, non-exclusive license to use and re-use the Information that is available under this license freely and flexibly, subject to the conditions below.

2. You are free to:

- Copy, reproduce and communicate to the public the Information in any format
- Adapt or modify the Information
- Exploit the Information for both commercial and non-commercial purposes
- Permit third parties to use the Information

3. You must comply with the following terms:

- Not use the Information in any way that is unlawful and/or misleading to the general public
- Include the name or identification of Ministry of Climate Change and Environment and retain any copyright notice featured in the original material
- Where possible, include a URL or hyperlink to the Licensed Material

These are important conditions of the License and if you fail to comply with them the rights granted to you under this license may be withdrawn.

4. Exemptions

- The License does not permit the use of:
    - Any trademarks associated with a Database or with the Open Data Platform
    - Any images (including logos, graphics or photographs) which appear in a Database
