Data Usage Agreement for Accessing Cardiovascular Hospitalization Data in Mashhad, Iran (2016-2020)

Upon receiving access to the database:

1. I will refrain from attempting to identify any individual or organization referenced in *Data file 1*.
2. I will implement all reasonable measures to protect the identities of any individuals or organizations mentioned in *Data file 1* in any publications or communications.
3. I will not share my access to *Data file 1* with anyone else.
4. I will maintain the physical and electronic security of the restricted data by exercising due diligence.
5. If I encounter any information within the restricted data that could potentially identify an individual or organization, I will immediately report the specific details via email to ShahabOdd@gmail.com.
6. I am requesting access to *Data file 1* solely for legitimate scientific research purposes, and if granted, I will use it exclusively for this reason.
7. I will outline the general purpose for which I intend to utilize the database in my application.
8. This agreement may be terminated by either party at any time; however, my obligations concerning the protection of *Data file 1* will remain in effect even after termination.
