SECTION 12. Transfers

Read: Now, I would like to ask you about relationships in which your household either receives or gives money or goods. By your household, I mean the place where you usually sleep, not necessarily your ancestral lands or family home. By the individuals in your household, I mean those who "eat from the same pot" and spend 4 nights or days (or more) in an average week sleeping in your home.
If FR is in boarding school, read: We consider boarding school students to be a 1-person household, therefore classmates and parents should not be included as part of your household.
If FR is a live-in guard or live-in house help, read: We consider live-in house help and live-in guards to be a 1-person household, unless you have a spouse or dependent(s) living with you. Your employer or employer's family should not be considered part of your household. Spouses or dependents living elsewhere should also not be considered part of your household.

Please probe well on this next question. We want ALL transfers, not just gifts.
1. Did anyone in this household receive a gift / assistance of money or goods from someone outside the household in the last 12 months?
   Do not include transfers from the government or employers; also do not include loans or interest payments, or goods that the household purchased. If FR is in boarding school count gifts from parents as transfers.
