DELTAS CPE Seed Fund KAP_Survey No 2

Page 1

The DELTAS Community and Public Engagement (CPE) Seed Fund: Survey No.2

About the survey:

This is the second and final brief (5-10 minutes) online survey administered to recipients of a 'DELTAS Community & Public Engagement (CPE) seed fund' award. This survey will assess your CPE knowledge, attitudes and practices following completion of the CPE seed fund programme as well as your experience of implementing a CPE seed fund project. Participation is both anonymous and voluntary, although we would appreciate you taking the time to complete the survey as the information will help us assess the success of the CPE seed fund programme and to improve future versions of similar programmes.

Do you consent to complete the survey? ✱ *Required*

- Yes
- No

Community & Public Engagement (CPE) Knowledge, Attitude & Experience

How would you characterise your CPE knowledge now that you have completed your CPE project? Select **one** of the following response options:

- Very poor
- Poor
- Fair
- Good
- Very good

How would you characterise your perceived importance of CPE now that you have completed your CPE project? Select **one** of the following response options:

- Not at all important
- Slightly important
- Moderately important
- Very important
- Extremely important

How would you characterise your CPE proficiency now that you have completed your CPE project? Select **one** of the following response options:

- Beginner
- Developing
- Competent
- Advanced
- Expert

To what extent did your CPE knowledge and understanding improve as a result of completing a DELTAS CPE seed fund award? Select **one** of the following response options:

- Not at all
- Slightly
- Moderately
- Considerably
- A great deal

Did you achieve your learning objectives during the course of implementing your CPE project? Select **one** of the following response options:

- I achieved my learning objectives in full
- I achieved my learning objectives in part
- I did not achieve my learning objectives

What learning objectives did you not achieve? Please list:

What prevented you from achieving these learning objectives? Please describe:

CPE Project Implementation

How difficult was it to successfully implement your CPE project? Select **one** of the following response options:

- Very difficult
- Moderately difficult
- Neither easy nor difficult
- Moderately easy
- Very easy

What was most difficult about implementing your proposed CPE project?

What was least difficult about implementing your proposed CPE project?

What additional support, if any, would have been helpful to you?

If you could make one recommendation to improve the DELTAS CPE seed fund for future awardees, what would it be?

CPE Practice in the Future

How well equipped do you feel to engage with the public on your research or subject? Select **one** of the following response options:

- ○ Very well equipped
- ○ Fairly well equipped
- ○ Not very well equipped
- ○ Not at all equipped

Which of the following reasons best describe why you feel 'very' or 'fairly' well equipped to engage with the public? You can select **multiple** response options:

- ☐ I have developed experience of CPE
- ☐ I have had good training
- ☐ I can explain things in simple language
- ☐ I am a good communicator
- ☐ I enjoy it and have had good feedback
- ☐ I have past experience of communication
- ☐ I am confident in public speaking
- ☐ I am knowledgeable about my subject
- ☐ I can talk to a un-skilled audience

Which of the following reasons best describe why you feel 'not very well' or 'not at all' equipped to engage with the public? You can select **multiple** response options:

- ☐ Lack of training
- ☐ Lack of experience
- ☐ Lack of time
- ☐ Not confident
- ☐ I don’t have the necessary skills
- ☐ I don’t know the best way to get involved

How likely is it that you will engage in another CPE activity within the next 12 months? Select **one** of the following response options:

- ○ Definitely will
- ○ Probably will
- ○ Probably will not
- ○ Definitely will not

What are the three main factors that would encourage you to get more involved in CPE? Select **three** of the following response options:

- ☐ If I was relieved of other work
- ☐ If someone invited me to take part
- ☐ If grants for CPE covered staff time
- ☐ If I had (more) training
- ☐ If CPE work was better recognised/valued
- ☐ If it was easier to get funds
- ☐ If it helped with my career
- ☐ If it brought money into my department
- ☐ If it raised my profile
- ☐ If I received more support for CPE specialists at my institution
- ☐ If I had help from local delivery partners (e.g. museums)

What are the three main factors that would stop you personally from getting more involved in CPE? Select **three** of the following response options:

- ☐ Competing pressures on my time

- [ ] Lack of opportunties/difficulty finding relevant audiences
- [ ] Not enough funding/ difficulties getting funding
- [ ] Lack of recognition of the value of CPE
- [ ] I am happy with the amount I am doing now
- [ ] I don't have the right skills/training
- [ ] Does not help career progression
- [ ] Not appropriate for my level/role
- [ ] Insufficient specialist staff to support CPE
- [ ] Insufficient support from other senior staff
- [ ] Insufficient support from dept. head/line manager

If you have any additional comments you would like to make then please list them here, otherwise click 'finish' to end the survey
