Teacher Turnover Form
Turnover Information for All Teachers who Taught Grade 9 or 10 Compulsory Math or Science in This School During the Academic Years 2074 and 2075 B.S. (2017/18 and 2018/19 A.D.).

School Name:
EMIS No:
District:

Enumerator: ***After*** administering the informed consent form for the Head Teacher (or possibly the Assistant Head Teacher if the Head Teacher is not available), and ***before*** administering the Head Teacher Questionnaire, ask the Head Teacher/Assistant Head Teacher the following:

1. I would like to collect employment information on teachers who have taught grade 9 or 10 compulsory math or science during the academic years 2074 or 2075 B.S. (2017/18 or 2018/19 A.D). I would like to include teachers who taught at least one of these courses for any length of time between the beginning of the 2074 academic year and now, including all the teachers who are currently teaching these subjects. I would like to make a list of their names and then find out which subjects they have taught, the status of their employment and (if relevant) what they were doing before they came to the school or after they left. Would you like to help me with this yourself, or would you prefer to assign another teacher or staff member to assist me with this?

Mark which person is selected to assist with this, using the codes below _____

1=Head Teacher

2=Assistant Head Teacher

3= Another teacher or staff member

4=other (please specify: _____)

Step A: Enter a complete list of all teachers to be included in this form by making the following requests:

1. Please tell me the names of **any teachers who have taught grade 9 or 10 compulsory math or science for the entire period starting with the beginning of the academic year 2074 B.S. until now.** (Some of these names may be pre-filled by New Era, because the teachers were present at baseline data collection. You do not have to enter these names again.)

2. Please tell me the names of **any teachers who were teaching grade 9 or 10 compulsory math or science at the beginning of the academic year 2074 B.S. and are no longer teaching these subjects here for any reason**. (Some of these names may be pre-filled by New Era, also, because the teachers were present at baseline data collection but have since left. You do not have to enter these names again.)

3. Please tell me the names of **any teachers who were not teaching grade 9 or 10 compulsory math or science at the beginning of the academic year 2074 B.S. for any reason, but who are now teaching at least one of these classes.**

4. Please tell me the names of **any teachers who were not teaching grade 9 or 10 compulsory math or science at the beginning of the academic year 2074 B.S. and are no longer teaching at least one of these subjects, but who taught at least one of these subjects for at least one month during the academic years 2074 and 2075 B.S.**

As you collect this information, please enter the teacher's names in column 3.

Step B: For each teacher listed in column 3 (both pre-filled and listed by you), answer questions 5 through 13, following the skip instructions carefully.
