Project Code: CCAP2016 UARZ
Project Name: 2016 Cooperative Campaign Analysis Project
Prepared for: Christopher Weber
Interviews: 1000
Field Period: October 28, 2016 - November 6, 2016
Project Manager: Ashely Grosse - 650.462.8016
================================================================================

                                Variable List
================================================================================
Name                            Description
----                            -----------
caseid                          Case ID
weight                          Case weight
consent1                        Do you wish to participate in this survey?
IINTRSTS                        The government interferes far too much in our
                                everyday lives
IPRIVACY                        The government should stop telling people how
                                to live their lives
SLIMCHOI                        Government should put limits on the choices
                                individuals can make so they don't get in the way
                                of what's good for society
HEQUAL                          We have gone too far in pushing equal rights in
                                this country
EWEALTH                         Our society would be better off if the
                                distribution of wealth was more equal
ERADEQ                          We need to dramatically reduce inequalities
                                between men and women
EDISCRIM                        Discrimination against women is still a very
                                serious problem in our society
HREVDIS2                        It seems like women don't want equal rights,
                                they want special rights just for them
HFEMININ                        Society as a whole has become too politically
                                correct
