Hello
user2

I think obviously they are both hypcrotical, but the republicans have to be worse in my opinion
user1

I believe Republicans are more hypocritical than democrats, yes.
user2

They talk about wanting the government to stay out of things, but then want to tell women they cant get abortions
user1

They complain about 'cancel culture', but they do more canceling than anyone around.
user2

They want "my body my choice" but only for white men. Women and minorities need not apply in their world.
user1

I think it takes a certain level of introspection and recognition of self to identify hypocrisy. they aren't particularly known for either.
user2

That is so true, they are constantly talking about cancel culture. And they use these dumb buzz words like critical race theory, to confused and rile up a big chunk of the population.

Hello

I didn't see the prompt, so I don't know what we are supposed to be talking about ....
user2

Is it who is more hypocritical, Democrats or Republicans?
user2

I don't think there is anything to be served by starting a conversation with labeling someone hypocritical.
user2

If someone has a position that seems to be inconsistent with another of that person's positions, that is what should be discussed. Calling someone hypocritical is only going to antagonist the other side.
