From what I gather, they usually are categorized to make more of an income.
user1

But, they seem to claim to want to help out the "little" people.
user1

In the end, it appears that the Republicans are the ones actually benefitting more from certain things set in motion.

With taxes and such... the more wealthy should have to pay more taxes than those who make less. But, I feel like equal taxes might be suggested from Republicans.
user1

I just feel like a Democratic leader fights more for the lesser wealthy.
user1

Like, when Obama created ObamaCare.
