Both are hypocritical in politics.
user1

republicans are more hypercritical. wabt toban abortion and defund funds for child care
user2

Everyone works for their own political careers and in that process they must be hypocritical in order to advance upwards
user1

politicians can have s stance on an issue and stay with it can be consistent
user2

Democrats are the most consistent as shown by the Obamacare repeal fiasco.
user1

reblicans blame gun violence on mental health, then cut mental health programs
