I believe Republicans are more hypocritical than Democrats.
user1

as do I
user2

I think the biggest issue is them being pro-life while not caring about the children that are already here
user2

they do so much to try control women's reproductive rights yet they do not care about the children being held at border detention facilities
user2

I believe that they change positions about certain political topics, like the president nominating a vacancy on the Supreme Court, arbitrarily based on if they are in power or not.
user1

I think that is a good point about them being supposedly 'pro-life'
user1

Exactly! They do what benefits them the most
user2

They are not concerned about gun violence in this country either and routinely take actions to prevent its mitigation
user1

Also, their stance on gun control
user2

yes!
user2

A more apt term would be 'pro-birth'
user1

EXACTLY
user2

Gun violence in schools is at all-time high
