Hi, I hope you're having a good day. It seems like the topic of discussion here is who you think is more hypocritical, Democrats or republicans. What are your thoughts?
user1

I think both parties are hypocritical to a certain extent. However, I feel like Republicans are more hypocritical overall.
user2

I feel the same way! I feel like both parties can be hypocritical and backtrack on their stance but I do also feel like Republicans do so more often.
