they are both hypocrite
user1

Politicians in general are hypocrites,I agree! Very few exceptions
user2

Which is why we need to do away with the party system in this country
user2

Totally agree. All politicians are just serving corporate overlords, anyway.
user1

Big Pharma...NRA
user2

There are a few who start out with all the best of intentions but they soon get caught up
user2

They wouldn't survive if they didn
user2

didn't join the sharks in the water
user2

Yep, you're totally on point.
user1

State of the Union address last night...then a rebuttle..why can't we all work together?
user2
