Hey there! So I think I know my answer to this, and I'd say Republicans.
user1

Of course, I'm a pretty liberal person, so my first instinct is always going to be to side with the "more liberal" party, that being the Democratic Party here in the States.
user1

I think Republicans are definitely more hypocritical because of their actions and attitudes.
user2

I don't understand any of their reasoning, especially when it comes to Trump.
user2

Agreed. One of the issues that I think they're most hypocritical on is the matter of "patriotism" and what it means to be patriotic.
user1

Oh gosh, absolutely. How Trump was ever voted into office bewilders me.
user1

He himself professes to love people no matter their color, but he advocates for policies that marginalize ethnic minorities at the same time.
user1

After Trump called Putin a "genius" last week, I just don't see how Republicans can keep turning such a blind eye to his ridiculous antics.
user2

He is a straight out traitor to our country in my eyes.
user2

Very good point. You don't call a warmonger a "genius" while claiming to have Americans' best interest at heart.
user1

I agree wholeheartedly with you.
