Hi! how are yoy?
user1

Doing good. Thanks for asking. Ready to get started?
user2

What do you think about gun control?
user1

The topic we are discussing is who is more critical, Republicans or Democrats.
user2

Oh ok. I think Republicans are more critical and judgmental towards other people, especially those who don't see the same way as them.
user1

If we specifically talk gun control, Republicans are much more hypocritical. They are in the back pockets of the NRA and vote against gun control measures, but they will be the first to cry when it's their kid hurt in a shooting.
user2

Yeah.. Couldn't agree more. I don't know why they love guns so much.
user1

It's not we are in war
user1

Glad you agree about the GOP. They are only out for themselves and don't care what Americans want.
