Huh. This is an interesting question. I think it's certainly up to the person whether or not they are hypocritical, but Republicans tend to lean more that way.
user2

For example, I think of the... was it a Senator caught soliciting sex in an airport bathroom? After being so against gay marriage and all that, he goes and solicits from a man. That bathroom is so famous now that it's on Google Maps haha.
user2

I just be honest of how I feel as I think more people in Republican are really hypocritical.

They also want freedom do not want to be control of gun control issue but limit freedom of LGBT and Abortion.
user1

Right!
user2

"My body my choice" when it comes to vaccines, but not abortion
user2

I think it is really not go together how they twist their tongue all the time.
user1

And they said the Democrat President did not do anything but it is because they did not pass the law that the Democrat President requested.
