Hi

I think both sides are equally bad though maybe Republicans are more
user2

Especially with Ukraine after cozying up to putin under trump
user2

I would disagree with that. I donâ€™t think that either party is inherently bad just different views.
user1

What about you
user2

But I do agree that not enough is being done with Ukraine and Putin was misguided based on relationship with trump previously.
user1

I don't know, maybe you're right
user2

I mean I think the democrats aren't hypocritical, they are more incompetent
user2

Yes, I think itâ€™s really a challenge to do everything that they promise to do and that so many politicians are so worried about pleasing everybody that they donâ€™t focus on what really matters.
user1

And many individual people feel the same way so donâ€™t want to have strong opinions for fear of offending
