I am very concerned about the lack of cooperation I am seeing from Republicans. I used to be one myself and I am very disappointed about the direction that pary is going in.
user2

I do think cooperation is lacking as well. Everyone wants to be the best and that is not a good approach.
user1

I think the Republican party is one of ego that is detrimental to its success.
user1

I think they are falling for a lot of misinformation and I wouldn't be surprised to learn the sources of that lead to Trump and Putin. I just can't believe the statements Trump made about Putin after the Ukrainian invasion, wow
user2

Trump is a disgrace. I think the KGB got him back in the 80's.
user1

I think a lot of Republicans need to back up and reevaluate things. That is what I did in 2014
user2

Sometimes things need to change with the times.
user1

Yes, I think there is a lot going on between them, more than just politics.
user2

A lot of corruption.
user1

I also think it is disgraceful the way people like McConnell and Manchin are profiting from blocking needed infrastructure.
