Hello, what political topic were you interested in discussing?
user1

\Who do you think is more hypocritical, Democrats or Republicans?"
user2

REpublicans right
user2

I am interested in recent news regarding the democratic opinion regarding student debt and student loan forgiveness
user1

I think it depends on what is being discussed because sometimes republicans opinions are surprisingly similar to democrats unless the topic is very specific.
user1

the topic I was given was hypocrisy between democrats and republicans
user2

Did you get a different topic?
user2

Recently, Democrats have been boycotting and discussing being in favor of canceling student loans. There are several representatives that have come forward as well as petitions with many signatures supporting forgiveness.
