Republicans they will never put the people first
user1

I think Republicans are hypocritical because they say one thing and do a different thing ...how do you feel on the subject
user2

I totally agree I think republicans are out to keep the rich richer
user2

Yes I agree republicans are rarely announcing bills that can benefit the people
user1

Republicans are the worst at putting down biden and saying he hasn't done this or that
user2

true they never do
user2

The republicans don't want to help the underdog
user2

They don't.
user1

We need to up min wage but republican don't want to
user2

they veto everything democratic want to pass
user2

Like we need more gun control
user2

But republican will not let that pass
user2

BBB Bill benefited everyone but still wasn't pass
user1

No it wasn't ...wonder why?
user2

but yet they want to blame it on democratic about the guns when something happened like what happened in Texas
user2

republicans blames everyone else for their mistakes
user1

Yes they do
user2

We need to come together and find a solution to all these problems
user2

and quit blame it on the wrong group
