I don't think it is a question that Republicans are more hypocritical.

Haha I agree.

I think that's why we're seeing the whole distracting "own the Libs" nonsense. They don't want to own up to their actual beliefs.

user2

Right!
user1

Yeah they don't really have any policies anymore, everything is just to "own the libs."

Or McConnell's sitting on Obama's nominee, Garland, because "it's an election year", but then proceeding with Barrett during an election year.eding with
