I can say with absolute certainty that Republicans are more hypocritical than Democrats. They claim to be for law and order, but yet Republicans supported completely the attempted coup on January 6th. Republican legislators have resisted any efforts to investigate. The people that were involved in the attempted takeover of the U S government.

i think this is an interesting topic, as both sides are as guilty evely of being hypocritical, take trump for example, he has said so many things that dont make sense like saying he won by a lot when in fact he didnt.

yea and i cant believe that most of the republicans in the GOP actually claimed it wasnt a coup when in fact it was
