Hello! how are you today!
user1

i'm good! how are you?
user2

I think both sides are hypocritical but i'd say republicans are the more hypocritical of the 2.
user2

Doing fine here as well, thanks for asking!
user1

That is right, they seem a bit cold than democrats though!
user1

yes i think they are colder to others than the democrats, and at some point everyone will need help, but it is easier to overlook that if it's not you directly
user2

Until they are in the position of need compassion, which is where the hypocrisy comes in i believe
user2

That is right, though its their constitutional rights to feel so, we cannot criticise them since they are our brothers and sisters
user1

agreed
user2

there is hypocrisy on both sides, we can only hope that both sides try to come together
user2

we respect their freedom of expressions, we respect them as much they respect us
