I think they are hypocritical, I believe it is part of politics to be hypocritical, whatever it takes for their cause. I believe they both twist and turn words and ideas for their benefit.

I agree, but do you think one party is more hypocritical than the other?
user2

I am a Democrat so of course i want to say yes, Republicans are more hypocritical but I don't agree with that. I don't wither one is more hypocritical than the other

What about the fact that republicans want to criminalize abortion, but yet they won't pass gun reform? Are democrats hypocritical on something as major as that?
user2

Oh I am certain Democrats are in deed hypocritical on major issues such as those stated. Like I said I believe both parties are guilty, to what extent does not matter, guilty is guilty.
user1

Being hypocritical is the easy way out and I am sure both parties take advantage of that when they can.
