republicans
user2

Why do you say that
user1

?????????\
user1

are you still there
user1

I think they are hypocritical because they claim to want to help but they are causing more issues
user2

yes i am
user2

why do you think that?
user2

In what ways do mean
user1

like the issues they have with government helping people
user2

people over money is more important to democrats than republicans
user2

true
user1

yes and i wish we could address our healthcare problems in this country, it is insane how expensive it is
user2

I agree with you I think it should be free becasue we choose to be sick
