I think Republicans are more hypocritical because they claim they are for small government but then want to create laws to control others.
user1

OH, for sure it's the Republicans who are more hyppocritical, don't you think? Every single day on the news I watch, they say the complete opposite of what the truth is about my party, the Democrats.
user2

A good example are recent bills regarding abortion and LGBT rights
user1

They control others but say they are against control
user1

The definition of being a hypocrite in my eyes
user1

Yes, I agree with you one hundred percent!
