Republicans are definitely more hypocritical than democrats without question
user1

I think both are hypocritical, but yeah its like 70% of democrats vs 100% of republicans
user2

republicans are just very delusional with anything in their lives
user1

Republicans will lie about anything just to get what they want
user1

i agree, in fact i just saw condeleeza rice say that it is a war crime to invade another soveirgn nation, referring to the ukraine conflict. Like, didnt you and your whole party support exactly that in 03?
user2

EXACTLY
